Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184 provides that an applicant has 18 months from the date of first publication of the invention to file a foreign application without a license. If the applicant fails to do so, the application will be deemed to be abandoned. This application is being referred to the PTO for review. If the PTO determines that the application is not eligible for patent protection, the application will be deemed to be abandoned. If the PTO determines that the application is eligible for patent protection, the application will be referred to the Patent Office for review. If the Patent Office determines that the application is not eligible for patent protection, the application will be deemed to be abandoned. If the Patent Office determines that the application is eligible for patent protection, the application will be referred to the Patent Office for review.
